

REMARKS/ARGUMENTS

Claims 16 through 30 are allowed, and claims 1 through 15 are rejected. Claims 1 through 15 are hereby canceled without prejudice or disclaimer and, thus, allowed claims 16 through 30 remain.

Claims 1 through 15 are rejected under 35 U.S.C. §102(e) as being anticipated by USPN 7,079,945 to Kaplan ("Kaplan") in view of U SPN 7,126,583 to Breed ("Breed"). Since claims 1 through 15 have been canceled, this rejection is considered to be moot. Withdrawal of 35 U.S.C. §102(e) rejection of claims 1 through 15 is respectfully requested.

Since all remaining claims of the above-identified application are allowed, issuance of a Notice of Allowance is respectfully requested.

CONCLUSION

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. Also, no amendment made was for the purpose of narrowing the scope of any claim, unless Applicant has argued herein that such amendment was made to distinguish over a particular reference or combination of references.

The Commissioner is hereby authorized to deduct any additional fees arising as a result of this response, including any fees for Extensions of Time, or any other communication from or to credit any overpayments to Deposit Account No. 50-2117.

It is submitted that the claims clearly define the invention, are supported by the specification and drawings, and are in a condition for allowance. Applicant respectfully requests that a timely Notice of Allowance be issued in this case. Should the Examiner have any questions or concerns that may expedite prosecution of the present application, the Examiner is encouraged to telephone the undersigned.

Respectfully submitted,
